WE certainly got our comeuppance on Saturday when we suffered what was only our second defeat here at Burnden Park in some 14 months.

I take no satisfaction from having been correct in my forecast that Rotherham would come here and give us

a hard time. I knew they would after we'd beaten them here in the recent Leyland DAF Cup tie and seeing that in their previous game against Tranmere that they lost to a late goal.

But Saturday's defeat annoyed us to such an extent that I expect a positive reaction from my players tonight.

We need to get back on the ball as quickly as possible but again it won't be easy—there are no easy games these days.

Huddersfield have been one of the most consistent teams in the Third Division over the past few months—although like us they slipped up at the weekend, losing 2-1 at Brentford against a side that started badly but has made steady progress up the table recently.

A difficult game in prospect then with both teams determined to accumulate three very important league points.

I hope the game lives up to our expectations and and, in welcoming Eoin Hand and his players and their supporters, I'm sure they will understand when I say I hope we take those points.

THE BURDEN SUNDAY 7-A-SIDE FOOTBALL LEAGUE The T.P. Contracts League Games Played

Sunday, 4th February, 1990.

Gresham produced the only surprise of the day drawing 2-2 with Ozone Frenzy CFC to gain their first points of the season after 17 games. Goals for Gresham coming from Steve Thomas and Mark Newsome, and Mitchell York 2 for Ozone. The rest of the fixtures produced no shocks but Morris Green Left it very late to secure the points needed to sustain their challenge for the title. Trailing for most of the game to a goal from Aalco's Dave Leonard, Green's equaliser came with a great solo goal from Fitzroy Barnes, Mick Wild netting the winner for Green. League leaders Lane Ends went behind to a fine goal by Fellbridge Victoria's Gordon Ball. This stung Lane Ends into life, and they finished up comfortable winners by 7 goals to 1.

Scorers, Mark Burton 3, Paul Griffin 2, and Ian Lloyd and Carl Maderick 1 each.

Metro Wanderers had a double fixture losing the first one 3-1 to Heaton Casuals. Shaun Danby netting their goal with Heaton's Andy Taylor 2 and Brent Richards, the goal of the day for the Casuals. Metro were more successful in their second game beating Ozone Frenzy by 4 goals to 2. That man Danby amongst the goals again with 2, and a goal apiece for Steve Clarke and Stan Poulson. Laurence Parker and Martin Mikes 1 each for Ozone. Horseshoe FC were at sixes and sevens going down by seven goals to 2. Karl Denton netting twice for the Horseshoe with Duke William's Dave Liptrott and Ian

McDonough each scoring a hat trick. Dave Garstang contributing with the seventh goal.

NOTE—There are still places available for new teams in the Bumden Summer HB Electronics Sunday 7-A-Side League.

A-B MOTORS CUP KNOCK-OUT TOURNAMENT Games played Thursday, 1st February, 1990.

Group One

Newcomers to the Bumden 7-a-side, Volunteer and Bury Dental both got off to a good start. Volunteer beating Carrs Pasties 3-0 with goals from Wayne Ratcliffe, Brett Singleton and Neil Entwistle. Bury Dental beat fellow newcomers Central Ceramics 2-0 scorers Steve Bradshaw and Dave Seddon.

Group Two

Premier Division champions Morris Green and runners up Deane FC produced an exciting but goalless draw to share the spoils in their first group game. Anchorfast FC notched the odd goal in seven against the Stags Head. Goals by Dave Shuttleworth 2 and Mike Bennison and Andy Baldwin 1 each, with Paul Gaskall 2 and Ian Horrocks 1 for the Stag.

Group Three

Only one goal in this group scored by Ainsworth Arms Dave Hamer in their 1-0 victory over Lynton Sevens. Campbells Sevens failed to take advantage of the numerous chances created and had to settle for a goalless draw against Bumden FC.

Group Four

Goals galore in this group with Lane Ends leading the way scoring six goals without reply against Finestyle Windows. Not a happy debut for Ex Wanderers Peter Nicholson. Goals by Mark Burton 2, Jon Senior 2, Ian Lloyd 1 and Paul Griffin 1. HB Electronics versus Metro Wanderers produced a good even game with HB just about deserving their 3-2 win. Goals for HB by Dave Liptrott 2 and Ian McDonough 1. Metro scorers Mark Heuzie and Hugh Gillespie.

HUDDERSFIELD TOWN

This evening we extend a warm welcome to the players, officials and supporters of Huddersfield Town who have made the short journey over the Pennines. With both sides firmly involved in the promotion hunt an exciting and entertaining game is in prospect in front of, hopefully, one of Burnden's best crowds of the season.

Huddersfield's five year stay in the Second Division was ended by relegation in 1988 and last season was very much one of rebuilding for new manager Eoin Hand, the former Eire boss.

The Terriers finished in mid table, a position which would have been improved but for a run of only 2 points from their last seven games.

This season, with a side much changed from that of two seasons ago, Huddersfield have emerged as serious promotion candidates and their recent form has been especially impressive. Last term Craig Maskell was the chief marksman, scoring 28 of Town's 63 League goals, but this season the goals have been shared around more. Town have also earned something of a reputation for scoring late in the game. On the first day of the season Mike Cecere's 89th minute header earned a 1-0 win at home to Swansea while the following week Iffy Onuora scored a last minute winner at Walsall. Brendan O'Connell scored an 89th minute winner against Bury on Boxing Day and five days later Craig Maskell's 85th minute goal accounted for Bristol City. As well as these late strikes which turned one point into three points, Huddersfield have also snatched a string of draws with late equalisers, in away games at Preston, Bristol Rovers and Blackpool and in the home game with Northampton.

Huddersfield's Cup form has also shown an improvement on recent seasons. In the Littlewoods Cup they went out on away goals to Nottingham Forest in the 2nd Round, drawing 1-1 at the City Ground and 3-3 at Leeds Road. FA Cup victories over Hartlepool, Chesterfield and Grimsby earned Town a 4th Round trip to Crystal Palace where they lost 0-4. In the Leyland DAF Cup Town were eliminated at the group stage.

Prior to their game at Brentford last Saturday, Huddersfield's recent record was as follows:

Goalkeeper **Lee Martin** joined his hometown club as a trainee and made his League bow with 18 appearances in Huddersfield's Second Division side in 1987-88. **Steve Hardwick's** consistency restricted Martin to be a reserve role last season but the 21 year old has figured in the first team since December. Hardwick, formerly with Chesterfield, Newcastle and Oxford United, joined Huddersfield in the 1988 close season and was everpresent in 1988-89.

Chris Marsden came to Leeds Road from Sheffield United in the summer of 1988. The 21 year old made 14 League appearances last season but has been a regular so far this season and has been everpresent since the end of September. **Chris Hutchings** is the Huddersfield captain. The versatile left sided defender or midfielder played previously for Chelsea and Brighton, joining Town in December 1987. He has appeared in every League game this season and was the two goal hero of Huddersfield's 3-1 win at Swansea recently. **Graham Mitchell** came up through the ranks at Leeds Road and has been a regular member of the first team for the last two years. He is only a couple of appearances short of a League century. **Dudley Lewis** was a close season signing from Swansea City, the club he joined as an apprentice. Lewis made 230 League appearances for the Swans and has been a stalwart of the Town defence so far this season.

Andy May made a crucial contribution to the Wanderers' 4th Division campaign in 1988, playing in the final ten games including the 1-0 win at Wrexham, which clinched promotion, when on loan from Huddersfield. Last season, the former Manchester City midfielder re-established himself at Leeds Road, missing only one League game, and he reached the landmark of 250 League games earlier this season.

*Back Row: G. Mulhall (Youth Dev. Off.), Shelton, Trevitt, O'Doherty, Cecere, Hardwick, Onuora, Leake, Mitchell, Duggan, Byrne, May, Bray, G. Williams (Physio)
Front Row: Marsden, Maskell, O'Regan, Hutchings, E. Hand (Manager), P. Withe (Asst. Man.), Smith, Bent, Wilson, Lewis.*

Robert Wilson is an experienced player who was recruited from Fulham in the summer. The Kensington born midfielder is a handful of games short of 300 League appearances and has also played for Luton and Millwall. He has missed only a couple of games for his new club this season and scored some useful goals. **Ian Bray** made a welcome return to the first team over Christmas after an absence of nearly two years due to a broken leg. The former Hereford defender, who was born in Neath, has made nearly 200 League appearances.

Craig Maskell had a fairytale start to his Huddersfield career last season when he scored 28 League goals and was everpresent. Previously he had made only a handful of first team appearances for Southampton. The 21 year old striker scored in 24 of Huddersfield's games last season, including a hat trick in the 6-0 win at Bury in April. This season he has found the going harder with only 4 League goals so far, but two goals against Forest in the Littlewoods Cup was an impressive testimony to his ability. **Mark Smith** joined Rochdale from Conference side Kettering in the summer of 1988 and made an immediate impression with 7 goals in 27 games. He was

snapped up by Huddersfield in February 1989 and has been a first team everpresent since his debut at home to Port Vale. The 28 year old Sheffield born striker, who had spells with Sheffield United and Scunthorpe earlier in his career, has scored 7 League goals this season. **Brendan O'Connell** came to Huddersfield on loan from Burnley in December. The former Exeter striker was Burnley's leading scorer with 16 goals last season.

Iffy Onuora is a former Bradford University graduate who came to Leeds Road last summer. The 6ft. 3ins. Glasgow born striker has been a regular on the substitute bench this season and has scored five goals, including the winner against Tranmere recently. **Kieran O'Regan** is a Cork born midfielder player who won 4 Eire caps during the time Eoin Hand was national team manager. The former Brighton and Swindon player joined Huddersfield during the summer of 1988 and was a regular in his first season at Leeds Road.

MATCH REPORT

Saturday, 10th February.

THE THIRD DIMENSION

BOLTON suffered a hiccup in their promotion bid as ROTHERHAM visited Burnden Park and snatched a 2-0 victory. It was Clive Mendonca with two strokes of opportunism who helped the 'Millermen' leap frog the Wanderers in the table.

Tonight's visitors suffered similar fate at BRENTFORD going down 2-1. Leaders BOLTON CITY scored a narrow 1-0 home win over lowly CARDIFF and remain three points clear of NOTTS COUNTY who could only manage a scoreless draw at Meadow Lane against CHESTER. At Deepdale PRESTON entertained promotion hopefuls BRISTOL ROVERS and it was the visitors who scratched a valuable 1-0 victory to hold on to third place.

Neighbours BURY had no answer to MANSFIELD's single strike and continue to slip in their promotion challenge. BLACKPOOL may have had one eye on next weekend's F.A. Cup clash with Queens Park Rangers when they faltered 2-0 at CREWE.

In the SECOND DIVISION table toppers LEEDS had a fright in the visit of lowly HULL. Almost 30,000 spectators witnessed this seven goal thriller which was settled by a 90th minute Gordon Strachan goal. Second placed SHEFFIELD UTD. maintained their challenge through their ever reliable striker Tony Deane whose strike just before half time was enough to deny visiting PLYMOUTH any glory. Ossie Ardiles' attractive SWINDON outfit secured their sixth victory on visitors territory, this time BARNSELEY were the losers 1-0.

Joe Royle's OLDHAM who have yet to be beaten at Boundary Park this season continued their challenge after defeating Alan Ball's struggling STOKE 2-0. BLACKBURN battled to get back into contention in this six pointer at SUNDERLAND. It was Nicky Reid who clinched maximum points for Rovers thanks to a 65th minute strike.

In DIVISION ONE lead-

ers LIVERPOOL squared up to NORWICH at Carrow Road. Pool's Swedish international Glenn Hysen got his marching orders for deliberately body checking the lively Robert Fleck but even with 10 men still managed to share the spoils in this scoreless draw. ASTON VILLA narrowed the gap on the leaders to one point after defeating battling SHEFFIELD WEDNESDAY 1-0.

Has Alex Ferguson stopped the rot at Old Trafford? It was Mark Hughes who saved UNITED from their worst run in 60 years with a late winner at MILLWALL in this 2-1 victory.

Howard Kendall's MANCHESTER CITY side face tough nuts WIMBLEDON at Maine Road but had to settle for the single point after sharing the spoils at 1-1. Lennie Lawrence left Goodison Park fuming after his CHARLTON side failed to capitalise on the pressure created against EVERTON. It was a Norman Whiteside downward header that settled the issue in EVERTON'S favour at 2-1.

Finally, shock result of the day came at Hartlepool where new manager Cyril Knowles is working the oracle in redeeming some pride. High flying STOCKPORT suffered a 5-0 hammering at the hands of the 92nd Club.

THE CARING FACE OF FOOTBALL

Strenuous efforts are being made to provide modern facilities for the safety and comfort of all football spectators.

During 1989, more than £1.25 million will be spent on improvements projects at Football League grounds and areas for people with disabilities form a major part of this programme. This season will see further initiatives including new and better toilet facilities, additional enclosures for family support and the provision of seating within existing accommodation.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives half of the £9.5 million donated by Littlewoods, Vernons and Zetters from their Spotting-the-Ball competition and spends it on schemes to improve standards at British football stadia.

CASHLINE COUP

Following the recent gale force winds, self employed roofer Fred Harwood has been having a busy time of late. But now Fred of Waverley Road in Astley Bridge has received his own windfall after scooping today's £100 prize of Wanderers 'CASHLINE'.

The agent was just leaving the door when Fred drove up in his van and paid in the nick of time.

The pleased winner said, "Apart from the odd win on the horses this is the most I've ever won. I will be celebrating with my wife Trina and the three children."

Lee Rainford (aged 7) and Phillip Rainford (aged 1).

Lee is a member of Junior Whites and he has two favourite players: David Reeves and Tony Phillis-kirk. Lee goes to Devonshire Road C.P. School, Bolton.

**Struck two FA Cup goals
on this day in 1915.**

1897—After knocking out Grimsby Town at the third attempt, in the first round of the FA Cup, the Wanderers came a cropper at the next hurdle when they went down 4-1 at Derby County. Steve Bloomer made the difference, the England international hitting a hat trick for the Rams, Bob Brown hitting Bolton's only reply.

1904—Bolton played their second game in a run of seven consecutive away League games at Gainsborough Trinity. The Wanderers, who had recorded a 5-0 success earlier in the season, lost 3-1 with Bob Taylor finding the net.

1909—A run of seven consecutive League wins began with a 2-1 success over Fulham in London, Billy Hughes and Jimmy Hogan scored Bolton's goals.

1915—The Wanderers finally saw off Millwall in a second replay of a second round FA cup tie at Burnden. Evan Jones and Ted Vizard hit two a piece for Bolton whilst the Londoners' only reply came from Davis thus recording all five goals of the game to Welshmen.

1926—West Ham sent Bolton to their heaviest defeat of the season at Upton Park when they hit six goals without reply.

1937—Derby County's 3-0 success over Bolton at the Baseball Ground sent the Wanderers into a relegation spot in the First Division after going ten games without a win.

1943—After defeating Blackburn Rovers 3-1 a week earlier at Burnden the Wanderers travelled to Ewood Park for the return of the Northern Section League game but crashed 7-1 with their only goal coming from Chadwick.

1946—A goal from George Hunt gave Bolton a 1-1 draw at Middlesbrough in the second leg of the fifth round of the FA Cup and an overall victory on a 2-1 aggregate. Stoke City were to be the Wanderers sixth round opponents.

1960—Nottingham Forest took a point from a 1-1 draw at Burnden Park with Bolton's goal coming from half back Graham Stanley.

1965—Bury inflicted Bolton's first home defeat since the opening game of the season and in the process completed the double.

1971—Middlesbrough took maximum points with a 3-0 win at Burnden to put the Wanderers deeper into Second Division relegation trouble.

"The ingredients look good for two sides going all out for that important win."

With the bad weather over the weekend and the disappointing result against Rotherham it really was a couple of lousy days—Saturday and Sunday—but tonight gives us an early opportunity to get that result out of our system. Huddersfield also suffered a reverse down at in-form Brentford so they will also be looking to get back on the right track; so the ingredients look good for two sides going all out for that important win.

With current attendances up by around 20 per cent down here at Burnden and in general throughout the Football League the increases have been very encouraging. It goes to show that throughout the doom and gloom preached by certain quarters that football certainly has a big future because of its massive attraction. We all know that in general, facilities need improving with more emphasis on the supporter's comforts and needs but whatever is done at the end of the day it all comes down to the love of the game. The Taylor Report is of course very important because nobody wants another disaster like Hillsborough and lessons must be learned even if the cost in the short term is enormous but whether all-seater stadiums are the real answer only the supporter can answer this with his

preference to stand or sit.

Moving on to general topics and Alex Ferguson must have been mighty relieved to see his side finally record a League win after going through a terrible period. The amount of Manchester United jokes currently doing the rounds must be very embarrassing especially so because of the millions of pounds spent on new players in the quest to win the Championship. With a change in fortunes maybe United might go on to salvage something this season by lifting the FA Cup, but whatever happens the media attention at all times is so intense that the pressures are multiplied especially if the anticipated success is not delivered.

Getting back to our own topics and after tonight's game we travel down to Northampton on Saturday on a revenge mission—after the Cobblers inflicted a humiliating three goal hammering on us back in December. A repeat of last season's win at the County Ground would suffice although without giving them a 2-0 half time advantage.

Enjoy the game this evening, and don't forget — our next home match against Birmingham is **all ticket**.

FRED HILL *ex Bolton & England*

***Read the views of
some ex-team mates
on Fred Hill.***

During the '60s there wasn't a better sight to see at Burnden Park than Freddie Hill jinking and weaving his way past defenders in a style so unusual in today's modern game. His close control and individual skills were a pleasure to watch and news broke only a few days ago that the Directors have granted the 'old' favourite a testimonial year—twenty years on. Apparently this had been granted during Fred's playing days and minuted at a board meeting but never implemented until now. Fred is now employed by former team mate Francis Lee and it is Franny who has offered to act as Chairman of the Testimonial committee.

The first event is likely to be a Sportsman's Evening and details of this will be released in the near future.

Many of Fred Hill's ex-team mates have shown full support to the testimonial.

Former Bolton and England 'keeper, Eddie Hopkinson said, "He is a tremendous guy, one of the best ball control players that Bolton has ever had going back to 1952. You couldn't get the ball off him and I have great respect for him. I remember him being granted this testimonial."

Wyn 'the leap' Davies who played alongside Fred at both Bolton and Manchester City reflected, "He was a good player

to have in the side when things weren't going well. I've been in the game a long time and seen Mim Baxter at Sunderland and Tony Currie at Leeds who were brilliant but I don't think they had the character of Fred Hill. He should have gone at one stage to Liverpool but failed the medical and that must have been a disappointment for him. He must often wonder just how he would have fared in that Liverpool team. When he came to City he wore No. 5 and Malcolm Allison made a big mistake in replacing Fred with Rodney Marsh. I remember one game against 'bogey' team Arsenal and we beat them and then followed by a visit to Everton and Fred got the winner there. I've always got on with him."

Little winger Dennis Butler said, "He must have been one of the most talented players I've ever seen. I remember one game at Tottenham when Fred was absolutely superb. His ability to dribble was second to none. I wish him all the best."

Centre forward Harry Webster and Freddie Hill both hail from Sheffield. Harry said, "I remember him coming as a young lad just as I was leaving but he was a very deceptive player and could get players off balance easily. It was a natural talent."

Fred still lives in Bolton and makes regular visits to Burnden to watch the present day team. Let's make it a good year for him.

RECOLLECTIONS

**"Will be looking
to keep up their
impressive home
run"**

*Photo: John Thomas
hits Bolton's third against
Huddersfield last season.*

The Wanderers face Huddersfield Town for the 70th time in the Football League today and will be looking to keep up their impressive home run against the Yorkshire side, which has seen just one defeat in the last twelve encounters, going back to 1950 and covering the top three divisions.

Huddersfield's only success during this period came in October 1968 when they registered a 3-2 score for their first away win of the season.

Jimmy Lawson gave Town a first half advantage which was equalised early in the second period by a Terry Wharton penalty. A minute later Colin Dobson restored the visitors lead but Fred Hill headed home a 69th minute equaliser for Bolton. Four minutes from time Steve Smith, later to appear in a loan spell for the Wanderers, collected a poor back pass from Syd Farimond to hit home Town's winner.

The Wanderers League record at Leeds Road in recent

history has also been poor. Since a 2-0 win in March 1952, with goals from Willie Moir and Nat Lofthouse, only once have maximum points been brought back over the Pennines.

That was last season when a goal from Trevor Morgan was enough to end the barren run.

Huddersfield's first visit to Burnden Park was in December 1910 for a Second Division encounter. The Wanderers, who were chasing promotion, ran out 3-1 winners thanks to a hat trick from Billy Hughes.

Their next seven visits all ended in defeat which included a 6-1 scoreline in December 1925. The Smith's, Joe and John, hit two a piece for Bolton, whose other scorers were David Jack and Billy Butler, only Ted Vizard from the forward line failing to find the net.

Town recorded their first win on the ground in February 1928 but suffered again in January 1930 when Bolton ran out 7-1 winners. Billy Butler hit a hat trick in that game, Harold Blackmore struck twice, the others coming from George Gibson and Willie Cook.

Last season's encounter saw the Wanderers come out 3-1 winners, Jeff Chandler, Trevor Morgan and John Thomas scoring for Bolton whilst Town's goal came from a Craig Maskell penalty.

Earlier this term the teams shared the spoils in a 1-1 draw at Leeds Road.

Our overall record against Huddersfield is as follows:-

	P	I	W	D	L	F	A
Home	34	21	6	7	72	36	
Away	35	7	7	21	27	47	
Total	69	28	13	28	99	83	

John Somerville was given the title of Secretary-Manager as the professional staff increased to 35 in an attempt to regain First Division status at the first attempt.

By the end of October the Wanderers were handily placed in the promotion race in 5th position, 2 points behind the leaders Birmingham.

Unfortunately October had seen some indifferent results

including three consecutive games without scoring a goal. This prompted further action with James Hogan, Willie Hughes, William Hunter and Bill Robinson signing for the Club. During November James McClarence went to Bradford, Albert Shepherd joined Newcastle and both Bob Clifford and Wattie White signed for Everton.

By the last Saturday of 1908 the Wanderers were in 2nd spot but then three games without any points along with a cup exit at West Brom left them clinging onto third place behind both Spurs and West Brom who had games in hand.

The pattern continued and the promotion race became a three club fight for the two places. There

were four games remaining with only one point separating the sides when the Wanderers visited West Brom. The Wanderers were without William Hunter and gave a debut to Joe Smith but Albion won the game 2-0 to become favourites for promotion.

The pendulum again swung with Albion dropping a point in their next game whilst both the Wanderers and Spurs won. And so promotion was to be decided at the death with each club having one game left to play. Strangely all against Derby County, with Albion having a one point lead over both the Wanderers and Spurs.

Albion lost their final game at Derby by 2-1 thus opening the door for their rivals. Two days later

Spurs drew 1-1 at Derby and on the Friday evening 30,000 cheered the Wanderers to a 1-0 win at Burnden over the Rams thanks to a Billy Hughes goal.

The Championship had been won with an amazing run of consistency. Bolton's final twelve games producing a record of won ten, drawn one, lost one.

The following day the Manchester Senior Cup was also added to the Second Division trophy when Stockport's first team were defeated 3-0 at

Hyde Road. The reserves were now captained by Sam Marsh and they had already defeated Manchester City's first team in an earlier round.

Returning to the First Division had cost the club over £3,000 in transfer fees and a wage bill of £6,472 which was the highest of all the Lancashire clubs. The task that had been set eight months earlier had been successfully completed but there was once again cries to improve the playing staff to ensure their survival in the top grade. All these problems were put to one side whilst the Wanderers visited the continent winning all their five games in the Netherlands.

Tonight we review the Wigan Athletic programme from when we played them in the qualifying round of the Leyland DAF Cup.

Priced at 70p the cover was a colourful action shot of two Latics players. The programme contained 32 pages with interesting articles on 'Memories' a review of past seasons and 'Life With' which was a feature on a Latics player. The feature on the Wanderers was basically pen pics and team photo with no current information on present form, etc.

The feel of the programme was that it was a bit light in content, maybe the high standards of previous seasons were taking their toll but with gates only around the 2,500 mark it is obvious that finances are tight and with that in mind you cannot be too critical.

Overall then it seems to be a fair programme price for the Third Division at 70p as well as being in the average for pages (32). I doubt whether it will be everyone's favourite but our return to Springfield Park in March for the League match will show if they have improved on this effort.
